Important Message From COBA Legislative Chairman Herman Jiminian Regarding Assembly Bill A10755

On July 9, 2020, Assembly Member Linda Rosenthal introduced Bill Number A10755 to amend the criminal procedure law and the penal law, in relation to prohibiting peace officers from carrying firearms.

COBA's government relations team actively tracks all pieces of legislation that impacts our members and their families. We vigorously lobby against bills that would hurt us as much as we vigorously lobby to pass bills that would help us. The bill introduced by Rosenthal is at best, at a very embryonic stage with very little chance of becoming law. We will continue to monitor it as we do with other pieces of legislation and we will not allow any legislator to eliminate our firearm privileges, which have long been codified under law, as part of our peace officer status.
